## Notification

### **Scheme of Examination for B.H.M.S. Degree Course- 2022 Admission Batch 2022-23 onwards (As per The Gazette of India: Extraordinary NCH Notification New Delhi 06.12.2022 and University Regulations)**

**(a) GENERAL GUIDE LINES FOR EXAMINATION, RESULT:**

- (i) The Universities shall conduct the examination for the degree course
- (ii) The college body shall ensure that the minimum number of hours for lecture/demonstration/practical/seminar etc. in the subjects in each BHMS examination as specified in respective regulations are followed before allowing students to appear in the University examination.
- (iii) The college body shall ensure that the students of the medical institutions, who do not fulfill the criteria laid down in these regulations are not sent for the University Examination.  
**Each student shall be required to maintain minimum seventy-five percent attendance in each subject in theory (i.e., lecture hours) practical and clinical (i.e., non-lecture hours) separately for appearing in examination.**
- (iv) The approved attendance shall be forwarded to the University.
- (v) Internal assessment examinations to be conducted by medical institutions during Ist, IInd, III<sup>rd</sup> and IV<sup>th</sup> BHMS professional years. The weight age of internal assessment shall be 20 per-cent of the total marks specified for each subject for main university examination.
- (vi) Internal assessment examination shall include 01 periodic assessment and 01 term test in each term of 6 months.
- (vii) It is compulsory for every student to pass with minimum 50% marks in the internal assessment examinations prior to filling the final university examination form of the respective professional year. Head of medical institution will send the marks of internal assessment and term test to the University prior to final examination of any professional year.
- (viii) There shall be no separate class for odd batch student (those students who could not keep the term) and the student has to attend the class along with regular batch or with junior batch as applicable.
- (ix) To become eligible for joining the Compulsory Rotatory Internship programme, all four professional examinations shall be passed and qualified in six electives and entire course of BHMS (including internship) should be completed within a period of maximum ten years.
- (x) The theory examination paper as per CBDC guide line and Farming of questions be done so as to cover the active syllabus and guideline given by NCH on Competency Based Dynamic Curriculum
- (xi) **Each theory examination shall be of three hours duration.**
- (xii) The minimum marks required for passing the examination shall be fifty percent in theory component and fifty percent in practical component (that include practical, clinical, viva-voice, internal assessment and electives wherever applicable) separately in each subject.

(xiii) Evaluation of electives: Electives shall be assessed in terms of attendance and assessment by grading: -

- a) Grading shall be only for two electives per professional session.
- b) Grading shall be mentioned in the University mark sheet of student.
- c) The examination branch of the institution shall compile the grade of electives obtained by students and submit to university through the head of institution so that the University shall add the same to final mark sheet of the student.

(xiv) Grading of electives:

- a) Electives will be assessed by the teacher who has guided to the student.
- b) The following points would guide the assessor:
  - i. Depth of problem definition–15%
  - ii. Extent of work undertaken–20%
  - iii. Innovation–15%
  - iv. Logical and integrated way of presentation–20%
  - v. Quality of learning derived–20%
  - vi. Adequacy of references undertaken–10%
- c) The final grades would be as follows:
  - i. “A”–Excellent (above70%)
  - ii. “B”–Good (above60%)
  - iii. “C”–Average (around50%)
  - iv. “D”–below average (around40%)
  - v. “E”–Poor (below 40%)
- d) The student will need to get a minimum ‘C’ grade in all the electives in order to pass the BHMS course

- (xv) The Practical/oral examination shall be completed immediately after the theory examination.
- (xvi) The examining body shall hold examinations on such date and time as the examining body may determine. The theory and practical examination shall be held in the premises of the Homoeopathic Medical College concerned.
- (xvii) There shall be a regular examination and a supplementary examination in a year and the supplementary examination shall be conducted within three months of declaration of results.
- (xviii) A candidate obtaining sixty-five per cent. and above marks shall be awarded first class in the subject and seventy-five percent and above marks shall be awarded distinction in the subject.
- (xix) The award of class and distinction shall not be applicable for supplementary examinations.
- (xx) For non-appearance in an examination, a candidate shall not have any liberty for availing additional chance to appear in that examination.
- (xxi) If a student fails to appear in regular examination for cognitive reasons, he may appear in supplementary examination as regular student and his non-appearance in regular examination shall not be treated as an attempt.
- (xxii) Any diploma/degree qualification, at present included in II and III schedule of the Homoeopathy central council act where nomenclature is not in consonance with these regulations shall cease to be recognized medical qualification when granted after commencement of these regulations. However, this clause will not apply to the students who are already admitted to these courses before the enforcement of these regulations.

**b) APPOINTMENT OF EXAMINERS:**

- i. There shall be two examiners (one internal and one external) University practical/clinical/viva voce examinations for 100 marks and, it shall increase to 4 (2 internal and two external) for 200 marks.
- ii. During supplementary examination for 200 marks, if student are less than 50 then one

- internal and one external examiner is allowed.
- iii. No person shall be appointed as an external or internal examiner or paper setter or moderator in any of the subjects the Professional examination leading to and including the final Professional examinations for the award of the BHMS degree unless he has taken at least ~~three~~ <sup>three or</sup> years previously, a M.D.(Hom.) degree of a recognized university or an equivalent qualification in the particular subject as per recommendation of the Commission on teachers' eligibility qualifications and has had at least three years of total teaching experience in the subject concerned in a college affiliated to a recognized university at a faculty position.
  - iv. non-medical scientists engaged in the teaching of medical students as whole time teachers, may be appointed examiners in their concerned subjects provided they possess requisite PG qualifications and three year teaching experience of medical students after obtaining their postgraduate alifications. Provided further that the 50% of the examiners (Internal & External) are from the medical qualification stream
  - v. External examiners shall not be from the same university and preferably be from outside the state.
  - vi. The internal examiner in a subject shall not accept external examiner ship for a college from which external examiner is appointed in his subject.
  - vii. A university having more than one college shall have separate sets of examiners for each college, with internal examiners from the concerned college.
  - viii. External examiners shall rotate at an interval of 2 years.
  - ix. Any full time teacher with teaching experience of not less than three year in a concerned subject in a homoeopathic medical institute shall be appointed internal/external by rotation in his subject.
