NURSE PRACTITIONER IN PEDIATRIC NURSING (NPPN) -
POSTGRADUATE RESIDENCY PROGRAM

1. Title and Commencement

1.1 This ordinance shall be called the Ordinance for the NURSE PRACTITIONER IN PEDIATRIC NURSING (NPPN) - POSTGRADUATE RESIDENCY PROGRAM.

2. Eligibility Criteria/Admission Requirements:

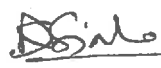

For GERIATRIC NURSING (NPGN)-POSTGRADUATE RESIDENCY PROGRAM

- Applicants must have a registered B.Sc. Nursing/P.B.B.Sc. Nursing degree with a minimum of one-year clinical experience, preferably in any pediatric care setting prior to enrolment;
- Must have undergone B.Sc. Nursing in an institution recognized by the Council and have been registered by the respective SNRC;
- Must have scored not less than 55% aggregate marks in the B.Sc. Nursing program;
- Selection must be based on the merit of an entrance examination and interview held by the competent authority;
- Must be physically fit.

Number of candidates: 1 candidate for 10 pediatric beds.

Registration: As per INC.

University Faculty of Clinical

3. Duration of the Course

3.1 The duration of the NURSE PRACTITIONER course shall be TWO (2) academic years. The maximum period to complete the program will be 4 years.

4. Examination Regulations

Eligibility for appearing in the examination

Attendance: Minimum 80% for Theory and Practical before appearing for final university examination but must complete 100% in practical before the award of degree.

There is no minimum cut off for the Internal Assessment marks, as internal and external marks are added together for declaring pass.

Declaration of Results

The candidate is declared to have passed the exam if the score is 60% and above. This score is the aggregate of both internal and external university examination in theory and practical in every course/subject and less than 60% is fail.

For calculating the rank, the aggregate of the two years' marks will be considered.

If a candidate fails in theory or practical, he/she must appear for the paper in which he/she has failed.

Rank will not be declared for candidates who fail in any subject.

Maximum period to complete the program is 4 years.

Practical Examination

OSCE type of examination is to be conducted alongside viva - Refer OSCE Guidelines as per Indian Nursing Council Notification.

Maximum number of students per day = 10 students.

Examination should be held in the clinical area only.

The team of practical examiners will include one internal examiner {M.Sc. Nursing faculty with two years of experience in teaching the Nurse Practitioner in Pediatric Nursing/M.Sc. (Pediatric Nursing Specialty) Nursing faculty with 5 years of post PG experience}, one external examiner (same as above) and one medical internal examiner who should be preceptor for Nurse Practitioner in Pediatric Nursing program.

Dissertation

Research Guides: Main guide: Nursing faculty (3 years Post PG experience) teaching NPPN program, Co-guide: Medical preceptor.

Submission of research proposal: 6-9 months after date of admission in the first year.

Guide Student Ratio: 1:5

Research Committee: There shall be a separate research committee in the college/hospital to guide and oversee the progress of the research (minimum of 5 members with principal or CNO who is M.Sc. Nursing qualified).

Ethical clearance must be obtained by the Institutional Review Board/Hospital Ethics Committee since it involves clinical research.

Topic Selection: The topic should be relevant to pediatric nursing that will add knowledge or evidence for nursing intervention. The research should be conducted in pediatric care settings. *DSin*

3. Duration of the Course

3.1 The duration of the NURSE PRACTITIONER course shall be TWO (2) academic years. The maximum period to complete the program will be 4 years.

4. Examination Regulations

Eligibility for appearing in the examination

Attendance: Minimum 80% for Theory and Practical before appearing for final university examination but must complete 100% in practical before the award of degree.

There is no minimum cut off for the Internal Assessment marks, as internal and external marks are added together for declaring pass.

Declaration of Results

The candidate is declared to have passed the exam if the score is 60% and above. This score is the aggregate of both internal and external university examination in theory and practical in every course/subject and less than 60% is fail.

For calculating the rank, the aggregate of the two years' marks will be considered.

If a candidate fails in theory or practical, he/she must appear for the paper in which he/she has failed.

Rank will not be declared for candidates who fail in any subject.

Maximum period to complete the program is 4 years.

Practical Examination

OSCE type of examination is to be conducted alongside viva - Refer OSCE Guidelines as per Indian Nursing Council notification.

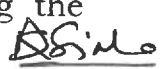

Maximum number of students per day = 10 students.

Examination should be held in the clinical area only.

The team of practical examiners will include one internal examiner {M.Sc. Nursing faculty with two years of experience in teaching the NPGN program/M.Sc. Nursing faculty (Medical Surgical Nursing preferable) with 5 years of Post PG experience}, one external examiner (same as above) and one medical internal examiner who should have served as the preceptor for NPGN program.

Dissertation

Research Guides: Main guide: Nursing faculty (3 years Post PG experience) teaching NP program, Co-guide: Medical preceptor.

Submission of research proposal: 6-9 months after date of admission in the first year.

Guide Student Ratio: 1:5

Research Committee: There shall be a separate research committee in the college/hospital to guide and oversee the progress of the research (minimum of 5 members with principal or CNO who is M.Sc. Nursing qualified).

Ethical clearance must be obtained by the Institutional Review Board/Hospital Ethics Committee since it involves clinical research.

Topic Selection: The topic should be relevant to geriatric nursing that will add knowledge or evidence for nursing intervention. The research should be conducted in any of the geriatric care settings.

3. Duration of the Course

3.1 The duration of the NURSE PRACTITIONER course shall be TWO (2) academic years. The maximum period to complete the program will be 4 years.

4. Examination Regulations

Eligibility for appearing in the examination

Attendance: Minimum 80% for theory and practical before appearing for final University examination but must complete 100% in practical before the award of degree.

There is no minimum cut off for the Internal Assessment marks, as internal and external marks are added together for declaring pass.

Declaration of Results

The candidate is declared to have passed the exam if the score is 60% and above. This score is the aggregate of both internal and external university examination in theory and practical in every course/subject and less than 60% is fail.

For calculating the rank, the aggregate of the two years' marks will be considered.

If a candidate fails in theory or practical, he/she must appear for the paper in which he/she has failed.

Rank will not be declared for candidates who fail in any subject.

Maximum period to complete the program is 4 years.
